To Whom It May Concern

We hereby guarantee that the following substituted products comply with the Federal Food, Drug and Cosmetic Act 1976, and all applicable food additive regulations, but only for the intended use and subject to the conditions of limitations. The following products conform to the requirements specified in the US Code of Federal Regulations Title 21, CFR 175.105 INDIRECT FOOD ADDITIVES: ADHESIVES AND COMPONENTS OF COATINGS
Subpart B-Substances for Use Only as Components of Adhesives for the purposes therein stated. This guarantee is generic and continuous from the above date unless revoked in writing by the manufacturer.
This certification is applicable to all of the below stated **pomona®** opp acrylic packaging and machine pressure sensitive adhesive tapes.
