REF: Guarantee by Supplier of Gloves
Under US Code of Federal Regulations Title 21.177

Dear Sir,

As one of our New Zealand based distributors we are pleased to provide you with the guarantee that the SELFGARD™ products listed below comply with the current FDA regulations covering indirect food additives.

The following SELFGARD™ products comply with FDA CFR Title 21, Subchapter B (Food for Human Consumption) Part 177 (Indirect Food Additives: Polymers.) in so far as they are used for their intended application and are used in accordance with CFR Title 21 Section 110.10(b) (5) ¹.

This guarantee covers all shipments of the SELFGARD™ products listed, purchased under our normal conditions of sale through our approved distributors.

Non Sterile Gloves: The products listed in this category comply with the following parts of the US Code of Federal Regulations: 177.1480, 177.1670, 177.1950, 177.1960, and 177.2600

The following products can be used to directly handle meat products at temperatures above 1°C and below 60°C. Storage and donning should ideally occur at 20°C.
