

Labels on a Roll

Shipping Labels on a Roll

Pomona’s printed labels on a roll are clean, efficient and cost-effective. Each perforated label is laminated with clear plastic, making a waterproof and durable label ideally suited for outdoor and long term applications. With no messy release paper to dispose of, our labels make for clean and efficient application.

Custom Printed Labels on a Roll

At Pomona we offer the opportunity for customers to print custom designed labels, including highly detailed barcoded and QR coded labels. Our machines can perforate as little as 37mm to as big as 250mm, with any design of your choice. If you're interested in these please contact one of our sales team email sales@pomona.co.nz or phone **0800 766 662**.
